

The Human - Bug Competition (8 slides)

What is a great challenge for us?

What are YOU really good at?

Possible questions:

How can you do that exactly?

When did you find out you can do this?

Where can you practise & how?

What do other people think about this talent of yours?

And so on...

NOT specific:

SPECIFIC:

I CAN EAT 5 PANCAKES IN A MINUTE

CHEMISTRY

I CAN SOLVE A RUBIK'S CUBE IN ONE MINUTE

SPORTS

I CAN LICK THE TIP OF MY NOSE

BEING THE BEST FRIEND

Running		
High jump		
Long jump		
Weight lifting		
Walking on the ceiling		
Building		
Destruction		

You're absolutely right.

I totally agree with you.

I see your point, but ...

I know what you mean, but ...

I think you are wrong.

I don't agree with you.

boy, love , flower

A After he had fallen in love with her, he bought flowers for her.

B After he had bought flowers for her, he fell in love with her.

C Before he had bought flowers for her, he fell in love with her.

D After he fell in love with the girl, he had bought flowers for her.

After the prince had killed the dragon,

Before he had the absolutely powerful ring, it had belonged to someone else.

While they were playing a match of Quiddich,

The other animals met Kanga and Roo only when they had finished eating honey.

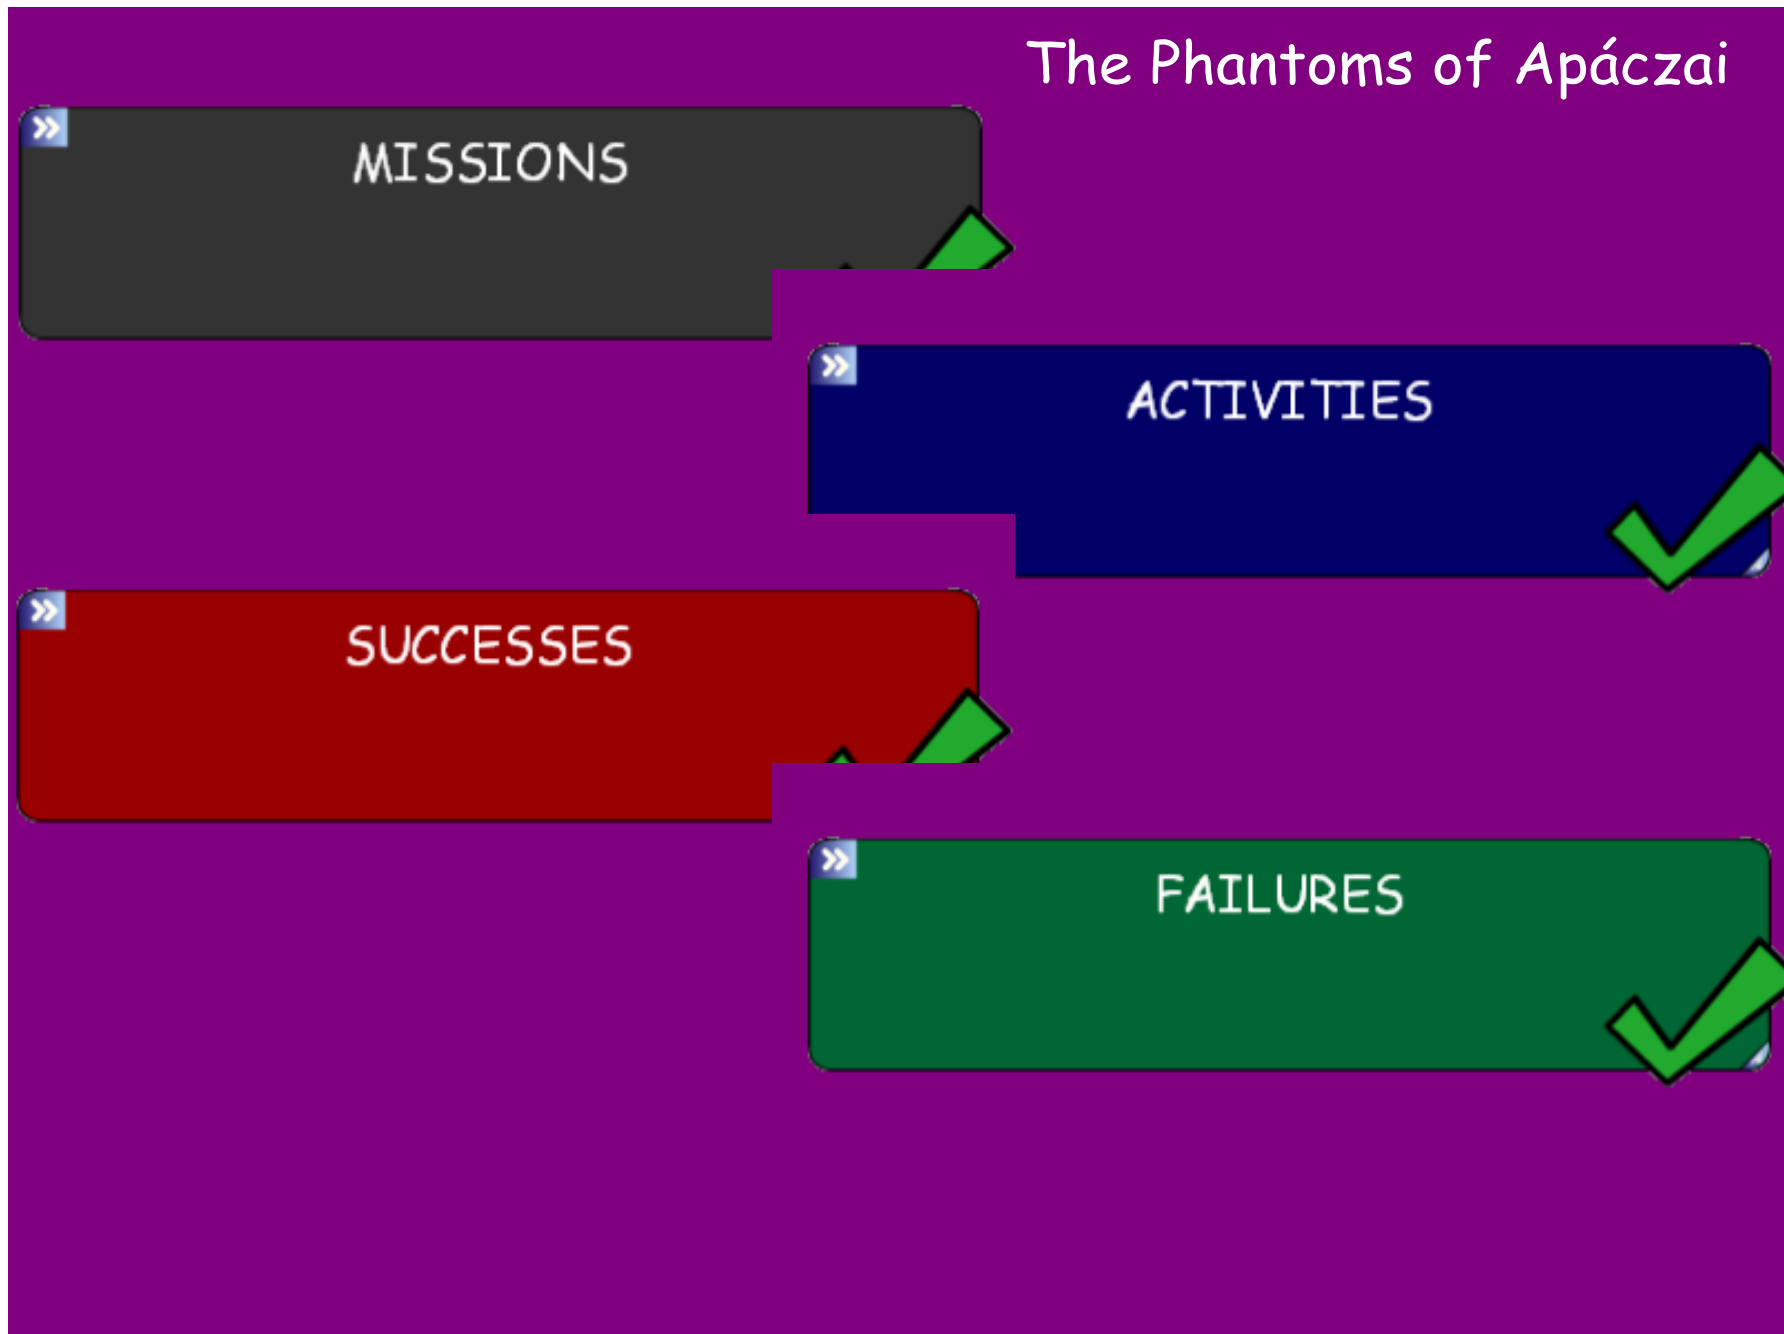

before Little Red Riding Hood tricked him.

All the seven of them lived really happily after the apple had got out of Snowwhite.

the amazingly attractive princess was sleeping.

The villain was hiding in the forest

the wonderful setting became more colourful.

In our EDUCATION
is it important
HOW WE LEARN THINGS?

- 1

Pay attention to any new expressions. Try to use as many of them today as possible.
- 2

Any time you talk to your partner(s), make sure they understand the new expressions you use too.
- 3

Remeber useful learning strategies.
- 4

Decide on what strategies would be useful for you.
- 5

Challenge the boundaries of your memory.
